Head Teacher Update

Dear Families,

The Harvest Critter Competition is back! Once again, we are inviting your child to create a critter for our autumn display in the front entrance of the school. It can be a real or imaginary creature, but it must be made from natural materials. This competition is open to all classes, including Acorn Class. All entries must be in school by **Monday 21st October**.

Every year we ask families to donate a food item for our Harvest Table. These donations are then given to the North Guildford Food Bank. This is a very valuable local charity and it is important for children to know and understand that there are families living close by who are in need and that it isn't just children who live in faraway developing countries who go hungry. In order to ensure that they have proportionate amounts of all the different items they give to their clients, this year the volunteers who run the foodbank are asking each donator to collect different items. We have been asked to collect **Tinned fish, Noodles, Long life puddings, Shower gel and Tomato ketchup**.

We would be grateful for any donations from this list from Monday. The Harvest Table will be in the hall this year. Thank you in anticipation of your support.

We raised £107.20 for Jeans for Genes last month, thank you very much for taking part and showing your support.

Congratulations to everyone who stood for the school council and eco team elections this year. Everyone gave such great speeches with really good reasons for why people should vote for them. This year's representatives are:

School Council:

ASH – Ebba, Elizabeth, Isla & William
PINE – Alex, Emily, Megan & Sienna,

Eco Team

ASH – Rosa, Bonnie, Aidan
PINE – Ben, Tallulah, Ffion

Have a lovely weekend.
Kind regards,

Michelle Dutton

Your School Needs You!

This month we are inviting new parents for September 2020 to come and look around our fantastic school.

In order for the school to look its best we need helpers to join in with our 'Ground Force Afternoon' taking place on Tuesday 8th October at 1.30pm. We are aiming to clear the front garden and beds of weeds and plants, ready for the winter. If you are able to help, please bring along any tools you have (spades, forks, and secateurs). Your child will also be able to join you, so they will need a change of clothes.

Please let the school office know if you are able to help. Thank you 😊
