

# Shalford Infant & Nursery School

## Value of the Month

### July: Achievement

Definition of achievement: Reaching a goal, however big or small

Success comes in cans, not can'ts  
Believe you can and you're half way there  
Mistakes are proof that you are trying  
There is no short cut to achievement  
Believe and you will achieve

During our learning about achievement we will discuss with the children the meaning of achievement, setting and reaching our own goals and celebrating the achievements of others.

#### Steps to Achievement:

- Choose something you really want to be able to do
- Decide how long your goal will take to achieve
- Break your goal down into small steps
- Be patient and you will get there
- Remember that goals worth achieving take time
- Be positive, think about what you have already learned and tell yourself how well you are doing
- Celebrate when you achieve your goal!

At home please take time to talk to your child about achievement and help them to set and reach their own goals.
