## Value of the Month

### January: Responsibility

Definition of responsibility: Being trusted by others to make good choices

"I must do something"  
always solves more problems than "Something must be done"

Take responsibility for the decisions you make and the actions you take

You are always responsible for how you act, no matter how you feel

Hold yourself accountable - apologise when you make a mistake

During our learning about Responsibility we will discuss with the children the meaning of responsibility and how they can be responsible people.

#### Responsibility means:

- Being dependable
- Doing the right thing
- Being in control of your own behaviour
- Apologising when you make a mistake
- Being trusted with important jobs
- Doing your bit when working together
- Completing what you set out to do

At home please take time to talk to your child about responsibility and help them to find ways to be responsible at home.
