

Shalford Infant & Nursery School

Value of the Month

April: Tolerance

Definition of tolerance: Treating everyone the same because it is OK to be different

Tolerance is accepting all the good and bad about someone

We are all more similar than we are different

Tolerance is a sign of wisdom and care

Tolerance is a two way street

During our learning about tolerance we will help the children to be positive about our differences and to understand how tolerance is linked to respect.

Who is wise ?

What is tolerance:

- We are all unique and have something valuable to offer and share
- Tolerance is accepting others and appreciating differences
- Tolerance is accepting myself even when I make mistakes
- Tolerance is accepting others even when they make mistakes

At home please take time to talk to your child about tolerance and help them to understand what it means to show tolerance to others.
