## Head Teacher Update

Dear Families,

Our Eco Team did us all proud representing the school at the Shalford Eco Forum on Tuesday evening. They were invited to talk about 'One Big Thing' and so they decided to tell everyone about the apple tree they planted in the community area near the train station to celebrate Queen Elizabeth II's jubilee. They all spoke brilliantly and showed many of our Shalford values. Thank you also to Charleen Burton, mum to Blaze and Lara Nicholls, mum to Clemie and Tristram for supporting the children and helping them with their presentation.

Thank you also to the School Council for running the Bake Sale last week. They raised £133.25 for Shooting Star Children's Hospices. Each bake cost just 20p as we wanted to make sure the sale was accessible to all our families, so this is a fantastic amount of money to raise! Thank you to everyone who baked as well as bought the goodies.

Have a lovely and sunny half term break.

Best wishes,

Michelle Dutton

## Safeguarding

At times all children can present with challenging behaviour.

The NSPCC have produced a leaflet with some strategies that may be of use during those stressful moments.

We encourage you to make contact with any of us if you have a concern about a child, in or outside of school. All concerns raised will be treated confidentially.
