

Autumn Newsletter 2014

Welcome to the new Oak class and welcome back to Ash and Pine classes,

For the new mums and dads, Parents in Partnership (PiP) is where parents work together to support the school. Our main aim is to raise funds for the school to enhance facilities, fund school visits or activities that are outside the normal school budget. We do this by organising events throughout the school year that are social opportunities for the whole school community to enjoy and raise funds for the school at the same time.

How do I join?

Every parent is automatically a member of PiP when they have a child on the school role. Your commitment can be as big or small as you want, but we can all make a difference and the children are the winners!

Fund raising update

Last year we raised an amazing £12,500! This funded the purchase of 6 iPads and Wifi to support them; a fantastic new mural outside Oak Class; yummy ice-creams at the school pantomime; an unforgettable whole school trip to West Wittering and a contribution to each class for much needed supplies. We also supported the following charities: Equipment for Disabled Children, Breast Cancer Awareness, Chase Shooting Star and Sport Relief.

What are our targets this year?

We are hoping to raise money to fund 3 new interactive white boards (total cost £11,500) along with supporting smaller projects, school trips, class supplies and charities.

What events are we planning?

The return of some favourite events: The Christmas Fair, Spring Term Quiz Night and the Summer Family Barbecue interspersed with cake sales, film nights and themed events.

Of course, new ideas are always welcomed and you can either talk to a Parent Link, or come along in person to a PiP meeting.

How do I get involved?

Come to our first meeting in the main school hall at 7pm on Thursday 25th of September. You are welcome to join the committee or just bring your creativity and enthusiasm.
